From The Board Of Directors

Welcome to summer, I think! We have gone from 90-degree heat just before Memorial Day to 60’s and 70’s and a lot of rain and it is only June 9th. Makes you wonder what the rest of the summer will bring. I hope your summer is more consistent and enjoyable.

Projects in the Park are starting to take shape as the construction phase is starting. The first project to be completed is the Bocce Ball court which will be located on the north side of the pool where the horseshoe pits used to be located. We will replace one horseshoe pit after the Bocce Ball court is completed. Bocce Ball is a low impact game that people will enjoy playing as individuals or as teams. The ceiling in the mail Clubhouse is about one half complete, the tiles in the west side by the pool tables were replaced two years ago and it was amazing the difference between the old and the new tile. It will definitely brighten the Clubhouse. The pool deck is scheduled to start on June 25th and the pool will be closed through completion. The deck will look fantastic when it is completed. The existing deck was looking bad and needed updating. The new pavers will add some needed color to our current deck. The kitchen update is currently scheduled to start on July 9th. We are waiting for permits for the beam and window replacements in the kitchen. We will be replacing all the cabinets and adding additional cabinet space. We have needed a kitchen overhaul for years and everyone will enjoy the change when it is complete. The exercise (continued on page 3)

From Your Recreation Association

I can’t believe, as I’m writing this, it is June already. We just had a wonderful week of rain and hopefully, some more this week. The palms have been trimmed and seem to be enjoying the rain as well.

Evening card games continue but shuffle board has slowed down due to the weather and heat. This always happens during the summer even though the starting time is moved to 9:00 a.m.

The driving net is up again and ready for the golfers and, of course, horseshoes awaits all.

Coffee Hour is serving about 40 residents. Gloria Musin-Sheets keeps us up on how folks are feeling and recovering and many other things that are going on in the park. If you want to know something, ask Gloria. She is the BEST.

The new pool decking is scheduled for late June or early July. The pool will be closed for about a month. The kitchen is still on hold until the large weight bearing pole can be removed. Work is scheduled to begin right after the 4th of July Celebration and will take at least a month. Finally, new white ceiling fans have replaced the old brown fans in the Clubhouse.

Both the Ladies Lunch Bunch and Couples Lunch Bunch are well underway. Fun is being had by all. Those of you that are away just don’t know what you are missing.

As always, in Leisure Lake, summer is a time for friends helping friends. Folks supply transportation to grocery stores, doctors, and various other appointments. Help is being given to those closing up their homes for the summer and as always, folks are watching out for their neighbors.

Until next time, continue to enjoy your summer.

Jane Conn, President

Manager’s Report

Hey Everybody,

Hope everyone is having a great summer. We are progressing here very well. The pool deck project will start June 25th and take about a month.

We are also proceeding with the kitchen. The post removal has proven to be a little bit of a hassle. The engineering and permitting has been submitted and we are waiting for approvals. We have a tentative start date of July 9th for the kitchen.

The pickleball fence has been reinforced, however, the corner bracing is yet to be done.

The Bocce ball court has been excavated and Ray and I will start to build the framework this week. (June 11).

Clubhouse I ceiling is about 1/3 done and the balance of the ceiling tile should be in this week. Then Ray and I can get back to the tile and fan replacement on Rainy days.

We started painting Unit 81. All the ceilings are painted and the living room and the bedroom walls are painted. The kitchen/dining area should be complete this week. The skirting repairs will start this week as well.

Fitness building contract should be signed this week to get started on the final drawings and permitting. The contractor and I agree to wait to order any building until all approvals have been received by the County.

Ray and I installed an overflow for the swale that will drain the swale to the street when the water gets within 1 foot of the top. This should direct the water to the street rather than the back yards. Kirk Mason, Manager

room will not be completed until late summer or early fall. We will not proceed until all permits are pulled and then we will proceed with the project. There are more projects around the Park that are being worked on, they include water runoff drains along Shady Lane, the painting and clean-up of unit 81 that the park purchased and will sell for a profit for the Park. We have already had numerous inquiries about this unit. The last project for the summer will be the replacement of drain tiles crossing some of our roads.

As you can see, there are a lot of projects we are working on in the Park this summer and Kirk Mason is doing a great job of managing these projects. If you see Kirk this summer tell him how much you appreciate what he is doing in the Park, I know I do!!

Thank You For Caring

Thank you, Leisure Lake Community, for being there for me with your visits, calls, cards, plants, get well wishes and prayers that helped sustain me through my planned heart surgery. Never a good time to be down and out, but I look forward to regaining my strength at my daughter’s peaceful lake house this summer and being back at Leisure Lake in the Fall. Enjoy your summer wherever you may reside.

One Of Our Own Recognized – Bill Newby

Many of you see Bill tooling around on his bike over the Leisure Lake roads! However, how many of you know that Bill was recognized for another type of tooling recently? Let me start at the beginning.

Bill is an avid woodworker and began making wooden cars and trucks for young kids. He was connected with some underserved schools in the area and has donated approximately 350 toys to date.

On a daily basis, Bill visits his lovely wife, Helen, who resides at Westminster Towers in Bradenton. While visiting, he has made hundreds of puzzles with the residents and guests. Many of these puzzles can be found on the walls of Westminster Towers framed by his beautiful oak frames. Through these visits, he realized the opportunity to engage the residents of Westminster Towers in his volunteer project. He asked the staff if the residents would enjoy another activity, painting the wooden cars he made for the young kids. The staff and residents were overjoyed that they could contribute to Bill’s volunteer effort. Since then the residents have painted hundreds of wooden cars and trucks. They look sharp with the yellow, green, red, purple, blue paint jobs.

Recently, Westminster Towers recognized Bill for his volunteer service. Bill not only is putting a smile on deserving young kids’ faces, he is putting smiles on the staff and resident faces, too. If you ask him about it you will see a smile on Bill’s face as well. It is truly better to give than receive. Bill has put his own money into buying the cards, paint and considers this project a labor of love.

Join the Leisure Lake family in recognizing Bill for making the world a better place, all from his carport here in our community.

Lot & Unit Inspections
From the mobile home and surrounding area inspection committee.
“THANK YOU” to everyone who made the effort to keep our park clean and tidy again this year. Your efforts are noted by our new home owners, visitors and your neighbors. We will begin again in November and will be looking at the following areas:
1. A clean exterior of the mobile, awnings and shed.
2. Clean gutters.
3. Excessive weeds in planters.
4. Trimmed trees and shrubs.
5. Clean area around the mobile and in carport.
6. Resident decals on cars, golf carts, etc.
7. Lot numbers on front of lots, on rear of mobiles and electric meter panels.
8. Other problems that we recognize as needing attention.
If you feel our assessment of your mobile or area has been in error, please let me know, so we can remedy the situation.
Thank you.

Pool Reminder – Towels
We just want to remind you that you need to bring two towels to the pool with you. One to cover your chair or lounge and the other for drying. This is done to help us save on cleaning of the furniture. Oils from your skin, sunscreen, etc. get on the chairs and it will eventually ruin them. We work very hard to keep our pool and furniture in good condition. We gratefully appreciate you doing this for us.

Warning (Solicitors)
Our Park has a NO Solicitor policy. That includes anybody or anything that people are trying to sell to us.
We have had a couple of people in the park within the last month stating that they are from A T & T. They claim that Spectrum is going to raise their prices and they want to sell you their service.
PLEASE don't give them any information whatsoever!! Tell them that we don't allow soliciting in our park and if they don't leave you will call 911. We would rather you have the Sheriff come in and tell them to leave the park as they are bothering our residents.
They are also stating that they have permission from the office to be here. They even say Sandy knows they are here. This is untrue.
Just don't let them in your home and ask them to leave. If they don't, just close the door and call 911.
Be aware that nobody has permission to be in our park to sell you anything.
I was told this by a Board Member and have not experienced them personally, but a couple of years ago I did have them come to my door.
So, just be aware that this is going on.

Like Bowling ??

The BOWLERS of Leisure Lake would like for you to join us next year.
We are not a league – no teams. Just a group that enjoys bowling and fellowship. Most of us don’t have high averages. We often struggle during a game, to break 100. But we laugh and have fun.
We bowl on Friday mornings starting 9:30 at the AMF Bradenton Lanes, 43 St W. and Cortez. Our 2018 – 2019 bowling starts 11/2/18 and last for 18 weeks ending with a banquet. You don’t need to be present every week and can start whenever your “Southern” arrival schedule permits.
So bring your ball and shoes back with you (or use the alley equipment and join us.
If you have any questions, please call Miriam or Allen Burkett at 937-776-5394.

**Dance News**

We are very excited about our line-up of entertainment for the 2018-2019 season. Below is the Dance Calendar for next season; in January our theme is Mardi Gras. This will give you the summer to think about what you would like to create for a mask or costume for this dance.

Also, we are having high attendance for these dances now, so please sign up for a table with the number of people you have coming. If by chance your table cancels, please let us know so we can open that table for someone else. Thank you.

Keep those dancing shoes shined up and we'll see you next season!

**For All Leisure Lakers**

We had the Sheriff come in the park the other night. She told me that they are trained to look on your refrigerator for information regarding a medical problem that you may have, your medical information and a list of medications, allergies and a contact number.

This is critical if they have to break in because if you are passed out on the floor and not able to talk, this information would be on your refrigerator with all of the above information. It could be a matter of life or death when the ENT gets there so they will have this information for the doctors, etc.

Please it only takes a few minutes to write out your Medical Information along with a list of your medications and your allergies and a contact number and tape it to your Refrigerator!!!

Thank you,

Bonnie

---

**Thank You**

I want to thank all my friends, family and neighbors for the wonderful cards, calls, visits and all other acts of kindness shown to me after my recent knee replacement. They were all very much appreciated. There is nothing like a great group of friends doing nice things for others. I am doing just great now and hope to be walking miles again soon.

Thanks again.

Fondly,

Merlene Hancock

**Sunshine Report**

Many thanks to our Leisure Lake Sunshiners for the info shared so that I can announce it at Coffee. And for the deeds of kindness you have done for our neighbors, our Leisure Lake Family! YOU make this a wonderful place to live. But if there is no news to share I may have to sing! My e-mail address is gloriamusin@gmail.com in case you can't reach me by phone.

Also a big Thank You to the Craft Card Makers who have supplied us with lovely works of art to give blessings and have a lovely safe summer!

Is Your Home Prepared For Hurricane Season?

Taken from the website of the Highway Safety and Motor Vehicles, Manufactured Housing Section of the Division of Motorist Services (850)617-3004

We recommend you have a mobile home installer who is licensed by the Manufactured Housing Section of the Division of Motorist Services conduct a safety inspection of your home’s tie-down system and make any necessary corrections that will afford you maximum protection.

Safety Tips

• Check for loose straps.
• Make sure straps are properly aligned and not on an angle.
• Check to be sure the proper number of tie-downs have been installed properly.
• Verify that ground anchors and stabilizer plates have been installed properly.
• Be sure support piers are in contact with the frame.
• Replace straps or ground anchors that show signs of corrosion or damage.
• If your home was installed before March 1999, you may want to consider installing a longitudinal tie-down system located at the front and rear of your home and add additional diagonal frame tie-downs to the side of your home.

MANUFACTURED/MOBILE HOME TIE-DOWNS ARE A MUST

Tie-downs are a necessary part of the foundation system engineered for all manufactured/mobile homes. Homes without proper tie-downs are less resistant to high winds. Take the necessary precautions to insure your manufactured/mobile home is properly secured. Have your manufactured/mobile home tie-down system checked today to reduce possible damage to your home and your neighbor’s property.

For detailed information about mobile home installation, contact the Department of Highway Safety and Motor Vehicles, Manufactured Housing Section of the Division of Motorist Services at (850)617-3004.

Longtime Palmetto Resident Receives Knights Of Columbus Award
Who: SAN DAMIANO ASSEMBLY #3192 Knights of Columbus
Sir Knight George Jacobovic wins Veterans Support Award 28 April 2018
By Ernest F. Soller

Palmetto resident George Jacobovic was presented with the Girvin Award, an award created by the Florida District of the Knights of Columbus to honor the Fourth Degree Florida Knight who best exemplifies service to our State’s Veterans, at a special event held at St. Joseph Catholic Church in Bradenton on April 28th.

Alfred R. Anci, the Knights’ State Director for Veterans Activities, in presenting the annual award, noted George Jacobovic’s untiring efforts to not only raise funds to support the efforts of the Knights of Columbus to assist Veterans and Veterans causes, but to educate the public on what the Knights do for Veterans through the Veterans Administration Volunteer Services (VAVS). George is also a member of Holy Cross Catholic Church in Palmetto, FL.

The Fourth Degree Knights of the San Damiano Assembly, to which George belongs, have contributed over $25,000 in recent years to assist local Veterans, including supporting the Fisher House at Haley Veterans Hospital in Tampa, and the Paws for Patriots program at Southeastern Guide Dogs, here in Palmetto.
