From The Board Of Directors

Well, we are now in the month of July and I hope everyone is enjoying their summer. My wife and I are still in Florida at the time of my writing of this article and we hope to leave for Michigan around the first of July. Tropical Storm Colin is passing through at this time with a lot of rain and wind.

We are working on some projects this summer that are not major but you will be able to see the changes when you return in the fall. We hope to resolve some of the water issues on the east end of the park by digging the retention ponds along the fence behind the houses along Leisure Way. The old shuffle courts are being removed. Another air conditioner is being added on the west end of the clubhouse, which will help the poker and pool players as well as control the temperature in the ceramic shed, which will help protect the paints they use on their projects.

Everyone have a great summer and I look forward to seeing you in the fall.

Bob Sager, President

From Your Recreation Board

Summer is well underway and I trust everyone is having a safe and enjoyable time. We were happy to learn that Leisure Lake residents and homes rode out the storm of the season safely. I’m sure that there were some anxious moments as the storm approached. A big “Thank You” to all who keep us informed and watched over our park while many of us are away.

I would like to express our collective gratitude to Jane Conn, her friend Bev and Gloria Musin for cleaning the stained Clubhouse chairs. Through research and hard work all chairs were cleaned and none had to be thrown out. Way to go, ladies! It is through efforts from people like these that make Leisure Lake such a wonderful place to live.

I urge everyone to stay in touch with goings on in the park through our website. Until we meet again, may God continue to hold you in the palm of His hand.

Sandi Hoffer, President

4th of July

We will celebrate the 4th of July in Clubhouse I. We will be serving hotdogs, hamburgers, baked beans, potato chips and watermelon.

You will need to sign up and tell us how many in your party and if they want hotdog or hamburger.

The doors will open at 12:30 p.m. and we will eat at 1:00 p.m. After we eat there will be BINGO. IT IS FREE TO EVERYONE. Just remember to sign-up on the bulletin board.

Newspapers Around The Park

It seems like some of our neighbors have left for their summer homes and the newspaper people are still leaving newspapers in their driveways. I would like to know if you, as their neighbor, would please pick them up when you see them laying there?

Mary & Phil Bender went around the park the other day and filled the back of their golf cart with these papers.

Thank you in advance. I am sure you won’t mind helping to keep our park looking great.

New Drapes In Clubhouse I

The new drapes are hung and they look fantastic! I want to thank everyone who chose these at our Recreation Meeting. They are very heavy and took bigger hooks and a well-braced rod to hang them properly. When the time comes for them to be cleaned, they will have to be steam cleaned while remaining on the rods. That is because it would not be possible to get the hooks back in place for them to hang right. These drapes will also keep the heat out in the summer and the cold out in the winter.

Many thanks to the people who helped me in any way to get the old blinds and drapes down. They are Shirley & Dave, Nora, Glenda and Denny.

Postage For Newsletters

Would you believe it? The postage for the newsletters in the states has gone DOWN!! It used to be $.71 and when I went to mail the May/June issues she said it has gone down to $.68. I couldn't believe my ears. Nothing ever goes down. Anyways, we will take it. Of course, the ones going to Canada are still $1.20.

Thank You

To my friends I send a big thank you for all of your cards, flowers, good thoughts and especially prayers during my hospital and rehab time. It is such a comfort to know that I have such good friends. Your thoughtfulness was a big help in my recovery. I will be spending the summer in Michigan, continuing to get healthy and strong. Looking forward to returning this fall to my Florida home and friends.

Again, thank you – Harriet Feenstra

Thank you to everyone who sent cards, made phone calls and said prayers for my Recovery while I was in the hospital for three months, and those that came to visit. I want to also thank those who helped my wife with chores around the house.

I also want to thank a great lady for standing by me in my time of need, my WIFE!!!

Many thanks - Dennis Roberts

Clubhouse I Chairs

Once again, the chairs in Clubhouse I are nice and clean. I wish to thank Gloria Musin for helping me go through the chairs to determine which ones needed cleaning and Bev Hamilton for helping me with the scrubbing. In all, 122 chair seats were cleaned. I also want to thank all of my Leisure Lake family that offered repeatedly to help. It was nice to know that there were so many volunteers I could have called upon. Your kindness was appreciated. Now, for the next job. Since accidents happen all the time, please keep an eye on the chairs and if you find one needing cleaning set it aside. Cleaning a few at a time will be quick and easy.

Again, thank you to my wonderful helpers and to those that offered to help. You are the best.

Jane Conn

Poker

We play poker on Monday, Tuesday and Wednesday in Clubhouse I from 6:00 to 9:00 p.m. We play dealer’s choice as well as Texas Hold’em. All are welcome – Men and Women. If you don’t know how to play, we can help teach you.

Water Restrictions
This is a reminder to all residents about watering and attending to new seeding as stated in the present Rules & Regulations, #32 on page 37 in your 2014-2015 Park Phone Directory:

MANATEE COUNTY WATER RESTRICTIONS
Lawn watering is limited to twice per week. Even addresses may water Thursday and Sunday before 10 a.m. or after 4 p.m. Odd addresses may water Wednesday and Saturday before 10 a.m. or after 4 p.m.

New lawns and plants may be watered any day during the first 30 days. During the second 30 days, watering is allowed three days per week: even numbered addresses Tuesday, Thursday and Sunday; odd numbered addresses Monday, Wednesday and Saturday.

For more information go to www.watermatters.org.

WATERING NEW SOD
If you have new sod that has to be watered, you have to call Manatee County Water Department to get a permit. You tell them the date you received your sod and they will give you the permit number over the phone and it doesn’t cost a dime!

I received an article from a resident who lives up north. This is a way to save money on our water bill. They are from the north and are on a septic and lake. They have signs in their bathrooms that say “In this land of Fun and Sun, we do not flush for No. 1!”. They say it works. Toilets use gallons and gallons of water with every flush. It is not necessary every time! Use your own discretion.

Like Bowling ??
The BOWLERS of Leisure Lake would like for you to join us next year.
We are not a league—no teams. Just a group that enjoys bowling and fellowship. Most of us don’t have high averages. We often struggle, during a game, to break 100. But we laugh and have fun.

We bowl on Friday mornings starting 9:30 at the AMF Bradenton Lanes, 43 St. W. and Cortez. Our 2016 – 2017 bowling starts 11/4/16 and lasts for 16 weeks. You don’t need to be present every week and can start whenever your “Southern” arrival schedule permits.

So bring your ball and shoes back with you (or use the alley equipment) and join us.
If you have any questions, please call Miriam or Allen Burkett at 937-776-5394.

Gordon Food Service
When you visit GFS in Bradenton, they ask you for the name of any organization you are from. Please tell them “Leisure Lake Recreation Association in Palmetto”. They will give us credit for your sales amount. These individual amounts, along with the kitchen supplies the Rec. Board purchases, really add up. Last season we accumulated enough points for about $300 of free items. THANK YOU, LEISURE LAKERS!!

Ann Marett – 941-981-3722

Pool Reminder – Towels
We just want to remind you that you need to bring two towels to the pool with you. One to cover your chair or lounge and the other for drying. This is done to help us save on cleaning of the furniture. Oils from your skin, sunscreen, etc. get on the chairs and it will eventually ruin them. We work very hard to keep our pool and furniture in good condition. We gratefully appreciate you doing this for us.

Lot & Unit Inspections
From the mobile home and surrounding area inspection committee.
“THANK YOU” to everyone who made the effort to keep our park clean and tidy again this year. Your efforts are noted by our new home owners, visitors and your neighbors. We will begin again in November and will be looking at the following areas:
1. A clean exterior of the mobile, awnings and shed.
2. Clean gutters.
3. Excessive weeds in planters and trimmed trees and shrubs.
4. Trimmed trees and shrubs.
5. Clean area around the mobile and in carport.
6. Resident decals on cars, golf carts, etc.
6. Lot numbers on front of lots, on rear of mobiles and electric meter panels.
7. Other problems that we recognize as needing attention.
If you feel our assessment of your mobile or area has been in error, please let me know, so we can remedy the situation.

Thank you.

Obituary for Kathy Harmon

Kathleen (Jachim) Bryan Harmon, 70, who was born in Grand Rapids, MI, on January 14, 1946 to Rose & Walter Jachim, died on May 9, 2016 in Bradenton, Fl., after suffering for many years with severe debilitating illnesses.

Kathy was raised in Grand Rapids, MI and married Arthur J. Bryan who preceded her in death in 1982. They relocated to Ft. Wayne where, while raising her family, she spent many years as a Social Worker and Alzheimer’s specialist in various nursing homes in that area. Kathy was a loving, giving person as well as a gifted crafter, who owned and operated “Crafts By Us.” She left us many beautiful items which we will treasure. After her retirement, Kathy and her 2nd husband Ronald Harmon moved to Florida hoping the weather there would improve her health.

Kathy is survived by her husband Ron of Palmetto, Fl., her son Arthur J. Bryan Jr. of Brighton, MI and daughters Rene Bodine (Mike) of Ft. Wayne, IN and Kari Gutnik (Max) of Newbury Park, CA. Kathy left behind her dearly beloved grandsons Zackry & Luke Bodine and Sam & Ari Gutnik. She is also survived by her brother Robert Jachim or Lakewood, WA and sister RoseMarie Dingman (Jim) of Baldwin, MI, as well as her beloved nieces & nephews and the many friends she made wherever she went.

Kathy was preceded in death by her 1st husband Art, her parents and brothers Jim & Bill Jachim.

A memorial service to celebrate Kathy’s life will take place on May 28th at Wallen Church, 1001 W. Wallen Rd. at 11 a.m. Donations in Kathy’s name may be made to the Alzheimer’s Association.

Leisure Lake Bridge Club

Hello to all of you, do hope your summer is going along smoothly and you are all in good health and are out playing Bridge!

Our Bridge will start up on the first Wednesday in November (November 2nd) and will continue until the end of March. If there is anyone who would like lessons, please let me know and arrangements can be made. I must have at least four students to do classes.

Our game is open to Leisure Lake residents with less than 500 points. We play every Wednesday in Clubhouse 1 at 12:30 p.m. Everyone is asked to be there by 12:15 p.m. so the director is able to set the game. Residents’ guests are invited to play (no fee) and non-residents who have less than 500 master points are welcome to play (there is a $2.00 fee for them).

So, start to plan ahead for another great season! Looking forward to seeing you all in the fall.

Please do hesitate to call me with any concerns or questions about lessons!

Travel

For your convenience and so that you can mark your calendars, here’s what I have scheduled so far for next season.

**Tuesday, December 13** – Christmas Carol Sing Along on the Starlite Sapphire out of St. Pete.

**Thursday, January 19** – “Phantom” at Broadway Palms in Ft. Myers

**Tuesday, February 21** – Sanibel Island Tour, lunch and boat ride.

**Wednesday, March 15** – “Anything Goes” at Broadway Palms, Ft. Myers

**Thursday, April 6** – Six Bridge Cruise on the Starlight Majesty out of Clearwater.

As usual, I don’t have pricing for these trips yet but a complete description of the tours is on the board in the Recreation Hall and watch for sign-up sheets prior to each event.

Also, in case you haven’t heard, group space for the February cruise is completely sold out, not just for us but for everyone. Therefore, if you still have interest in this cruise, you need to call Advantage directly because the prices change daily (by the cruise line). Advantage’s number is 1-866-824-1613.

Until next time, have a great summer and enjoy your travels!

Saturday Night Movies

We are having our Saturday Night Movies in Clubhouse I. We are averaging around 11 people each night. The movie starts at 7 p.m. and the free popcorn is good. If you want to bring your own chair, please do so. You may also want to bring your own drink.

Key In The Office

After having a couple of incidents in our park lately I would really like some of you who haven’t got a key in the office to think about putting one in there.

Of course, we can’t make you, it is all up to you.

BUT, after finding Harriet on the floor of her home and we aren’t sure just how long she laid there, it was scary. There was no key in the office to get in so one of our residents broke in with the Board’s okay and the police present. We are very thankful that she is okay, but please think about this. It could happen to you or one of your family members who live here in the park. You could be all alone, too, and most of your neighbors have returned north. All I can ask is that you consider what I have said. Thank you.

*Bonnie*

P.S. Also, another incident happened a few years back and it went like this. He was from Vermont and only had a license stating that. He was in an accident in St. Petersburg and they had no idea that he was living here in LLV. He had a daughter who lived here, too, and nobody found out for three days until she called the police to report him missing. So, please consider putting something on your person at all times when you are staying here for the winter stating that you also reside here in the winter months; and give your address here in LLV. You never know when something like this could happen to you. Stay safe everybody and really consider what I have said. Thanks.
